1. OPERATIONAL SCOPE, SAFETY, AND STATUTORY COMPLIANCE

1.1. Scope of Services & Authorization: Differentiation of Services: The Service Provider strictly differentiates between "Diagnosis" (inspection and assessment services, which are non-refundable) and "Authorized Repair" (physical installation or mechanical restoration). Statutory Consent Threshold: The Service Provider must obtain consent if the final charges will exceed the initial written estimate by the lesser of fifty dollars (\$50.00) or ten percent (10%) of the estimate amount. MANDATORY LEGAL WARNING: WRITTEN CONSENT REQUIRED. SOUTH CAROLINA STATE LAW GIVES YOU THE RIGHT TO ASK FOR AND TO RECEIVE A WRITTEN ESTIMATE OF TOTAL CHARGES FOR WORK ON YOUR CAR. IF YOU DO NOT CONSENT IN WRITING VIA A SUPPLEMENT ADDENDUM, NO CHARGES EXCEEDING THE INITIAL ESTIMATE BY THE STATUTORY THRESHOLD WILL BE AUTHORIZED. ALL CHANGES MUST BE DOCUMENTED AND SIGNED BY THE CUSTOMER AND SERVICE PROVIDER, VERBAL APPROVALS ARE NULL AND VOID.

1.2. Disposition of Parts & Warranty Protocols: Replaced Parts (S.C. Code § 56-33-40 Requirement): By signing, the Customer waives the right to retain replaced parts, unless otherwise noted. Exceptions apply for parts required to be returned to the manufacturer. Standard Express Warranty (Provider-Supplied Parts Only): A limited 12 MONTHS 12,000 MILES parts and labor warranty is provided only for parts supplied and installed directly by the Service Provider. Excluded Coverage: This warranty specifically excludes all consequential or incidental damages (towing, rental, lodging, loss of income).

1.3. Work Environment & Safety Warnings: Temporary Industrial Workspace: The Customer acknowledges the work area is a TEMPORARY INDUSTRIAL WORKSPACE involving inherent hazards (heavy tools, hot components, volatile fluids). 5-Foot Hazardous Work Zone: The Service Provider defines a 5-FOOT EXCLUSION ZONE. Bystanders are strictly prohibited from entering without express permission.

2. FINANCIAL TERMS, LIABILITY, AND LEGAL GOVERNANCE

2.1. Financial Obligations & Security Interests: Payment & Acceptance: Payment is due in full immediately upon completion. Non-payment is an immediate event of Default. By tendering final payment, the Customer irrevocably covenants NOT TO INITIATE ANY CREDIT CARD CHARGEBACK, PAYMENT REVERSAL, OR BANK DISPUTE. Grant of Security Interest: Customer grants Service Provider a non-possessory Security Interest in the Vehicle (Collateral) and all parts/labor pursuant to Article 9 of the SC Uniform Commercial Code (SC Title 36). Perfection & Irrevocable POA: Customer acknowledges the lien must be recorded (S.C. Code § 56-19-630). Customer grants an IRREVOCABLE POWER OF ATTORNEY, effective upon default, to execute SCDMV documentation to perfect this security interest. Civil Conversion Warning: Subsequent sale, concealment, or refusal to facilitate perfection while sums remain due constitutes willful breach and Civil Conversion.

2.2. Liability Waivers & Indemnification: Express Assumption of Risk (AOR): THE CUSTOMER VOLUNTARILY ASSUMES ALL RISK OF PERSONAL INJURY, DEATH, OR PROPERTY DAMAGE RESULTING FROM ENTRY INTO THE HAZARDOUS WORK ZONE. Premises Release: Customer releases Provider from liability for reasonable incidental surface damage. "AS-IS" Parts & Implied Warranty Disclaimer: All parts are provided "AS-IS". Express warranty is IN LIEU OF ALL OTHER WARRANTIES. Customer Indemnity: Customer holds Provider harmless from parts failure, regulatory fines (HOA, zoning), and environmental remediation costs.

2.3. & 2.4. Premises, Jurisdiction & Execution: Customer warrants the location provides a stable, level surface and is legally compliant with all zoning and HOA codes. Exclusive Venue: Governed by SC law. Resolved exclusively through Mandatory Binding Arbitration or Small Claims Court in Oconee County, SC. Digital Validity: Executable electronically per SC UETA.
